PASS Cambridge BEC Second Edition

This bestselling series has been revised and refreshed bringing the topics up to date and interesting to business English learners of today.

Reacting to research we haven't changed the approach or structure, and we've kept the key features.

Key Features

- A wide variety of relevant, work-related situations and topics
- Interesting and relevant readings
- Exam tests to consolidate learner's understanding
- A systematic review of key grammar and vocabulary
- Final exercise in self-study section of each unit gives exam practice
- 'Don't forget!' sections in each unit highlight grammar points
- Multilingual glossary of essential business vocabulary (online)

What's New?

- Updated texts, photographs and artwork
- Updated topics to reflect business today
- NEW reading materials
- NEW re-recorded listening
- NEW Teacher's Book is packaged with the Class Audio CD
